Week beginning

20.3.2023

Year 4 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

The children took part in practical activities this week which they thoroughly enjoyed by all.
Firstly, in science, the children took temperatures of wet tea-towels and left them to dry in different areas. They then saw whether the temperatures were similar in different areas.

The children explored erosion and deposition by pouring water on soil to see the change in Learning Challenge.

In English, the children worked hard on their diary entries in role of Bess for our core text: My Friend Walter.

The children enjoyed exploring fractions and also learning their 8 times tablesin maths.

A Peek at the Week...

This week:
In English we will be writing an informal letter, exploring Sir Walter Rayleigh's time imprisoned in the Tower of London.

We will be continuing the fractions topic in maths, exploring improper fractions.

In science, we will be identifying what we have learnt in our States of Matter topic, completing a mini assessment.

We will be looking closely at cities around the world and linking rivers to these cities in Learning Challenge.

At the end of the week we will be travelling to Royal Liberty School to experience Science workshops with a Harry Potter theme!

Don't Forget!

Please continue to learn your times tables – try this link at home as the children are practising this in school: https://talkingtimestables.uk/y4_ks2_mtc_practice_tests_multiplication_tables_check.php. Also, please keep on reading at home and logging into your planners – expectation is 4 reads per week.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 4 have the following online tasks to complete.

Maths – Challenge someone in the class to a times table battle through times tables rock star.

English: – Please complete page 42 and 43 of the CGP book.

Purple Mash: Create a rivers leaflet.

Spellings

This week – Challenge Words

after	group
again	height
once	particular
behind	potatoes
before	separate

group
height
particular
potatoes
separate
surprise
through
various
though
woman

Do check words against this newsletter and the ones stuck into your child's book to make extra certain.
