TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In Year 5 we have immersed ourselves in black history.

In 5M, we enjoyed writing our own inspirational speech about our hopes and dreams. The children felt really inspired and were very creative within their learning.

In 5R, we are exploring the artwork of Faith Ringgold of soaring cityscapes and each child taking a flight over a fantasy flight.

In 5L, we have worked really hard to discover how important men and women have had a positive influence on black history.

A Peek at the Week

Let's take a look at the exciting week ahead!

In Maths this week, we are focusing on applying our reasoning and arithmetic skills to solve problems.
We are finishing our work on the Highwayman in English by creating a play script and using drama to bring alive the scene where Bess is waiting for the return of the Highwayman.
Our French lesson this week, will consist of talking and writing short sentences about what different people had for breakfast.
In PE, will be developing our existing skills of passing and receiving a ball and apply this to our netball lesson this week.
In Science, we are looking at thermal conductors and insulators. The children will have the opportunity to test which material is the best conductor and insulator.

Don't Forget!

- Please make sure that you label items of your children's clothing to ensure that it is returned to them if lost.
- School is closed to children on Friday 22nd of October.

Over to you... Home Learning
