Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 5M, we have really enjoyed exploring how we can measure different angles in Maths. We enjoyed using lollipops sticks to create different angles!

In 5L, we had great fun carrying out a scientific investigation to find out if the biggest rocks make the largest crater. This involved sprinkling flour into trays and trying not to get anything on the carpet!

In 5R, we have been really busy perfecting our standing long jump and improving our technique for throwing a vortex.

A Peek at the Week

<u>Platinum Jubilee Week!</u>

What a busy week we have planned this week in Year 5! The activities will include performing arts, STEM and a range of creativity opportunities.

In English this week we will be researching the Queen's role as the longest reigning monarch and exploring the information book by Sally Morgan detailing the main events of her reign from 1952 until the present day.

In Maths we will be continuing our work on measuring angles using a protractor. We will be solving reasoning problems which will require application of our arithmetic skills.

In PE we have the chance to learn a dance routine which we be performed on the field to music.

In D&T we will be using clay to design and make a jubilee souvenir. We have plenty of royal themed activities such as making flags, designing a jubilee card for the Queen and creating a crown.

Don't Forget!

Please send in an old t-shirt or long shirt for your child to use as an art apron. We also are in desperate need of plastic bottles, corks, felt tips, recyclable plastic bags and card.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: Measure the angles using a protractor on MyMaths.

Reading: Remember to read at least four times this week at home and sign your planner.

Spelling Shed: log-on to practise this week's spelling and see if you can reach the top of Towers league.

Spellings

This week we will learn to spell challenge words:

New spellings: immediate, sincere, changeable, afterwards, referring, knight, doubt, amateur, ancient and deceive.

Practice using Look, Say, Cover, Write, Check. Also try writing each word in a sentence with an embedded clause.
