Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

What a messy week 5L had last week! We used glue and newspaper to create papier-mâché. See Twitter for our photos.

5R used their creativity Skills Builder to prepare resources for their forth coming assembly and showed great team work by supporting each other to produce their best.

In 5M, we have really enjoyed researching all about different planets! Out in the sunshine, we got together in groups, and collated different sources of information. We used lots of unity and determination skills last week!

A Peek at the Week

As we enter our final week of this term, Year 5 will be focussing on completing all our topics ready for the Summer Term.

In English, we will complete drafting and editing our Spooky stories ready for publishing and adding to our Amazing Work Wall.

In maths, we will be revisiting formal calculation strategies and applying these to a series of reasoning questions.

In DT, we are devising our healthy alternative recipes for a Bolognese sauce, which we will then cook, taste and evaluate.

Our focus in RE will be the forthcoming Easter celebrations, when we explore the First Easter and the importance of this festival for Christians.

In French, we will apply our conversation skills and then follow instructions to carry out simple actions.

In science we will finish our unit on 'Circle of Life' by assessing our understanding.

In computing, we will review on-line safety by discussing how to make a secure password.

Don't Forget!

There is no swimming this week. Look out for your holiday homework challenge at the end of the week on Google Classroom – get creative!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: Complete the task regarding decimal place value.

Reading Eggs: Read chapter 3 of 'Midnight Mansion' using the library feature on Reading Eggs.

Spelling Shed: log-on to practise this week's spellings and see if you can reach the top of Towers league.

Spellings

This week we will learn to spell homophones or near homophones

New spellings: aisle, isle, aloud, allowed, altar, alter, ascent, assent, farther, father

Practice using Look, Say, Cover, Write, Check
