## Week beginning

17.10.22

# Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

## Magic Moments!

In 5M, we had an amazing time at the Beowulf and Anglo Saxon workshop! Children used their creativity skills to create broaches and Bayeux Tapestry, linked to the Anglo Saxons!

In 5C, we have enjoyed learning about people in history who have and still fight for the Civil Rights and equality to all regardless of skin colour, background and culture.

In 5RB, we enjoyed reading the story 'Tar Beach' and letting our imaginations run wild. We all thought about where we might like to fly to.

## A Peek at the Week

In Maths, we will be beginning our multiplication and division topic! Children will be identifying multiples and common multiples. We will be looking at Venn diagrams, tens frames and hundred squares, to show our workings.
We will continue finding out about some real people who took amazing risks to find freedom in English. We will be reading 'Henry's Freedom Box' and trying to imagine what life must have been like then.
In Science, we will be exploring our school environment, in order to identify different materials! Children will use their prior knowledge of our topic 'Material World' to describe each material.
PSHE sessions will see us reflecting upon our wellbeing over this half term and re capping the 'five ways to well-being' and how this has been supported both inside and outside of school.
In RE, we will be completing a quiz related to our learning this half term of Christians and Christianity.
We will be learning how to order various lunch and sandwiches options and practicing expressing what we like in French
In Learning Challenge, we will be finding out about the Anglo-Saxon kings and particularly Alfred the Great. Why is he famous for letting the cakes (or bread) burn?!

## Don't Forget!

Please remember to bring an unperishable item for our donations to the food bank.

## Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

**MyMaths:** log in to consolidate your classwork.

**Reading:** Remember to read at least four times this week at home and sign your planner.

**Spelling Shed:** log-on to practise this week's spellings and see if you can reach the top of Towers league.

## Spellings

This week we will be revising these spellings:

**Abundant, brilliant, constant, distant, dominant, elegant, fragrant, ignorant, tolerant, vacant.**

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.
