TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 5RB, we enjoyed developing a 'stamp' with pasta and string and then experimented with printing with it. We also practised singing with Adele and even serenaded with Tony Bennett!

In 5C, we enjoyed being scientists and creating our own experiment. We have tested the size of craters on the moon and used our fair testing skills to ensure that we create a fair test.

In 5M, we also enjoyed creating our stamp in Art and drawing a futuristic design over it!

A Peek at the Week

We hope you enjoyed your half term break!

In Maths, we will complete our unit on written methods of multiplication and division. We will be dividing larger numbers by a single digit and finding remainders.
In English, we will be concluding our text from before half term; Kensuke's Kingdom. We will be summarising the story and completing our own instructional piece of writing, to support any future explorers in living on an island.
In Computing, we are starting our unit with internet safety and discussing what to do in different scenarios.
In Music, we are listening to the song 'The Fresh Prince of Bel- Air'! We can't wait to hear more!
In Learning Challenge, we are looking at tropical rainforests and linking with our prior learning.
In Science, we will begin our topic on 'The Circle of Life' by looking at the reproduction of plants.

Don't Forget!

Times Table Rockstars has started!
Please see the back of children's planners for login details.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: log in to consolidate your classwork.

Times Table Rockstar tournament.

Reading: Remember to read at least four times this week at home and sign your planner.
