Week beginning

26.09.22

Year 5 Newsletter

Magic Moments!

In 5M, we have really enjoyed showing our understanding of the core text 'Beowulf', using our creativity skills. We used our retrieval skills in order to draw and label a fantastic story map!

In 5C, we have really enjoyed being scientists this week. We have been testing different materials to find which material would be suitable for a waterproof jacket.

In 5RB, we enjoyed learning 'Livin' on a Prayer' by Bon Jovi. We talked about the verses and chorus and certainly enjoyed singing as well as showing off some of our groovy moves!

A Peek at the Week

In English, we have found out how Beowulf saved the Danes and battled the terrible monster, Grendel. We will be looking at recounts and using this knowledge to help us describe the events of that night, when Beowulf killed Grendel. We will be writing from the first person. We will also continue to work on our comprehension skills.
In Maths, we will continue to develop our knowledge of rounding. This week we will be rounding up to a million! We will the finalise our topic of place value by exploring a range of mathematical questions from our learning so far in Year 5!
In RE, we continue to learn about Christianity and the different forms of worship as well as their impact on Christians.
In Science, we move onto discovering what dissolving means, why it is used in chemistry and then as scientists ourselves we will be conducting our own experiment using a dissolving method.
In Learning Challenge, we will continue to study the Anglo-Saxons and specifically their beliefs. We will learn about their original pagan beliefs and how Christianity gradually spread amongst the Anglo-Saxons.
In P.E. we will continue with swimming and also work on a variety of skills and build our stamina further.

Don't Forget!

Please encourage the children to bring their planners to school every day with their reading books.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: log in to consolidate your classwork.

Reading: Remember to read at least four times this week at home and sign your planner.

Spelling Shed: log-on to practise this week's spellings and see if you can reach the top of Towers league.

Spellings

This week we will be revising these spellings:

Potential, essential, substantial, influential, residential, confidential, preferential, torrential, circumstantial and impartial .

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.

Keep in touch!
