TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

## Magic Moments!

In 5M, we have really loved our first lesson of this term on the recorders! We were determined to play 'Hot Cross Buns' and it was so successful!

In 5C, we have enjoyed exploring different materials we can use to make bridges. We explored how different weighted objects can impact our structures.

In 5RB, we enjoyed drawing portraits of King Charles III using a variety of materials. We looked at the different proportions of the face and this helped us produce some fantastic portraits!

## A Peek at the Week

In Maths, we continue to explore position and direction using co-ordinates and plotting various shapes onto an axis. We will also continue to discuss x and y axis and ensuring we are 'plotting' accurately.

In English, we will be continuing our new core text 'Clockhouse' by Philip Pullman.

In PSHE, we will consider our rights and responsibilities when playing games online.

In Science, we will continue to look at how new materials are created by the reaction of different materials or factors.

In RE, we will be learning stories from different religions and discussing what the moral of each story is.

In Learning Challenge, we will be learning about Queen Elizabeth II and what challenges she faced as monarch.

## Don't Forget!

Please make sure that reading books and planners are in school each day. Also, now that the summer is *finally* here, don't forget to apply sun cream before school, and to bring a hat and a water bottle too. Class 5M assembly is on Thursday 15th of June.
