Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Year 5 thoroughly enjoyed Stubbers on Thursday, despite the rain! The children enjoyed several activities including: Clip and climb – which saw them climbing several different indoor walls and then abseiling down, team building games; with a focus on communication and our build value of unity, archery, rifle shooting and crawling through some caves!
All of the children were well behaved and were a credit to Towers Junior School.
Well done Year 5!

A Peek at the Week

In Maths, we are continuing with our topic. We will be ordering and comparing decimals and rounding decimals to the nearest whole number or to one decimal place.

We will be researching endangered animals; via a variety of resources and then creating our own non-chronological report in English.

In RE, we will be looking at prayer and comparing what this may look like in different religions. We will recap our knowledge of a Gurdwara and compare this with our previous topics which we have looked at.

For Computing, we will be creating a formula that will work out how many days there are in x number of weeks or years.

In Learning Challenge, we will be creating layers of the rainforest. We ask if you could bring in any cereal boxes or shoe boxes to create this!

We will be revisiting and expanding on our knowledge of life cycles, and presenting the information in different ways during science.

Don't Forget!

Please ensure that on our PE days on Fridays' that your child(ren) is wearing their correct PE kit. If there are any questions regarding this, please do not hesitate to speak to your child's class teacher. Please could children bring in a cereal/shoe box for our learning challenge lesson this week!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: log in to consolidate your classwork.

Reading: Remember to read at least four times this week at home and sign your planner.

Spelling Shed: log-on to practise this week's spellings and see if you can reach the top of Towers league.

French: Login to the home area on languageangels.com with the login Feder5297 and password: lahome

GPS book pages 26, 27, 28 and 29 focusing on linking paragraphs.

Spellings

This week we will be revising spellings when words contain modal verbs; of possibility.

definitely, possibly, probably, frequently, infrequently, occasionally, rarely, certainly, obviously, often.

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.
