Week beginning

01.05.23

Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 5M, we have enjoyed reading our core text 'Oranges in No Man's land'. We have discussed the location and main characters of the story.

In 5C, we enjoyed testing and trialling different games in our computing learning this week. This has given us some ideas and helpful hints to support us in beginning to create our own games.

In 5RB, we enjoyed identifying reversible and irreversible changes in science. We enjoyed a 'Wow!' moment when a balloon was inflated after a combination of sugar, warm water and yeast produced a gas.

A Peek at the Week

In Maths, we begin to look at statistics. This will include interpreting a variety of graphs and data. We will also be learning how to analyse data in order to answer related questions.
In English, we will be writing a non-chronological report about the coronation.
In PSHE, we will be looking at the positive and negative effects of social media.
In Science, we will find out about how plastic is made and how it can be recycled.
In French, we will continue to identify pets by species and name.
In RE we will discuss some of the values and challenges experienced by Muslims.
In P.E., we will continue to develop our striking and fielding skills as well as swimming.
In Computing, we will be developing our game environment.
In Learning Challenge, we will be learning about Henry VIII and the impact he had on the country. We will find out about his wives and their various fates, as well as the development of the Church of England.

Don't Forget!

All Year 5 children need to bring in their CGP book for GPS on Fridays. We will mark the work together and set the next week's work.

TTRS is still available and is a great way to practise the times tables!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: log in to consolidate your classwork.

Reading: Remember to read at least four times this week at home and sign your planner.

Spelling Shed: log-on to practise this week's spellings and see if you can reach the top of Towers league.

GPS book page 38.

Spellings

This week we will be revising these spellings which are homophones.

Cereal, serial, complement, compliment, principal, principle, stationary, stationery, wary and weary.

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.

Keep in touch!
