Week beginning

24.04..23

Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 5M, we have worked hard on our arithmetic skills in Maths. We have revisited our prior learning and used lots of determination!

In 5RB, we have been developing our observational skills when drawing buildings. We looked for different 2D shapes and used our pencil for comparing measurements. We also looked at the contents of the foreground and background.

In 5C, we have enjoyed singing along to our new song 'Dancin' in the street' and understanding the different elements that make up a songs structure.

A Peek at the Week

We will be writing a recount of the Gunpowder plot using our knowledge from our learning challenge lesson in English this week.
In Maths we will be continuing with our topic of area and perimeter.
In Art, we will be applying compositional skills and printing skills. We will be reflecting on our previous work of drawing houses.
In French, we will be consolidating our knowledge of pets and the use of 'J'ai' (I have).
We will be continuing with our topic of striking and fielding in PE.
In Learning Challenge, we will be finding out about the Gunpowder Plot and the historical, political and religious context.
During Computing, we will begin to evaluate games and identify the features making a game interesting before we begin designing games of our own.
In music, we will compare 2 Motown songs and continue to learn to sing 'Dancin' in the Street'.
We will be discussing the impact of the online community in PSHE.
In R.E, we will establish the role of the Qur'an for the Muslim community.
In Science, we will be continuing to look at reversible and irreversible changes. We will be observing what happens when baking soda is added to vinegar.

Don't Forget!

Please ensure that on our PE days on Fridays that your child(ren) is wearing their correct PE kit. If there are any questions regarding this, please do not hesitate to speak to your child's class teacher.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. Homework this week includes:

MyMaths: log in to consolidate your classwork.

Reading: Remember to read at least four times this week at home and sign your planner.

Spelling Shed: log-on to practise this week's spellings and see if you can reach the top of Towers league.

French: Login to the home area with the login Feder5297 and password: lahome

GPS: **pages 26 and 27** in your CGP book (for Friday)

Spellings

This week we will be revising spellings when words are homophones or near homophones.

aisle, isle, aloud, allowed, altar, alter, ascent, assent, farther, father.

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.

Keep in touch!
