Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 5M, we are so impressed with our knowledge in Music, where we continue to play the recorders. Children have shown so much determination and we are so proud!
In 5RB, we have been developing products for the Enterprise sale at the fayre. We have worked well in our groups, sharing ideas and teaching one another different skills. A great example of unity!
In 5C, we have enjoyed planning, drafting and writing our own scary stories. We have spent time looking at various techniques and examples to make our stories even better!

A Peek at the Week

In Maths, we will be finishing our unit about decimals and we will begin to explore negative numbers and converting several different units of measurement, such as kilograms, millimetres, and units of length, as well as imperial and metric units.

In English, we will continue to look at how we can build tension in our stories. We will look at the techniques used in different extracts and consider how we can apply this to our own writing. We will continue to learn about punctuation used for adding parenthesis.

This week is RSE week in PSHE for Year 5. Children will be learning about how the body changes during puberty and understanding that respect is essential in a relationship.

Don't Forget!

Please ensure your child is bringing a water bottle and a sunhat into school. Please remember to label all clothing with children's names.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following tasks to complete.

Reading: We ask you continue to read with your child in line with our expectations of four times per week and continue to record this in your child's reading diary.

MyMaths: log into your MyMaths to complete the task set.

Spelling Shed: log-on to practise this week's spellings.

CGP book complete page 54 and 55.

Spellings

This week we will be revising these spellings:

device, aloud, heard, complement, precede, community, principle, muscle, desert, stationary

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.
