Year 5 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 5C last week, we have enjoyed using our ICT skills to create our own word document and input pictures, a text box and headers for the document.
In 5M last week, we enjoyed watching the Year 6 production 'The Greatest Show'. They showed their BUILD core values. We also discussed potential leadership roles for next year.
In 5RB this week, we had a great time brushing up our skill with the recorder. A surprisingly tuneful time was had by all!

A Peek at the Week

In Maths, we will be finishing our unit on volume. Whilst learning about volume we will be discovering how to estimate volume, compare volume and estimate capacity.

In English, we will continue to explore different types of poetry and their features. We will be writing Kennings and descriptive poetry as we go through the week, as well as considering the best way to perform these poems.

In French, we will be recapping our knowledge of French foods and how to order healthy French food in a restaurant. We will also be recapping how to pronounce the school lessons we would study in a day.

Finally, in Computing, we will be combining our skills to create a page of text and images.

Don't Forget!

Don't forget that school closes for the Summer holidays on **Thursday 20th July 2023 at 1:30pm**.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: log into your MyMaths to complete the task set.

Please check Google Classroom as there will be Summer Homework posted that you can return to your new Teacher in September.

Spellings

There are no spellings to learn, but...

Why not become a **word detective** over the holidays? Look for exciting new vocabulary in books, newspapers, on posters, online...everywhere! Continue to build a powerful word bank ready for use in Year 6. Make sure you know what the word means and how to use it.

Alternatively, why not write a report or design a leaflet about exciting places to visit or things to do during the holiday?

Keep in touch!
