TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

## Magic Moments!

In 5M, we have enjoyed using our new scheme in French called 'Language Angels'! We have identified different nouns and articles of clothing, using our French display to support us!

In 5RB, we had a workshop, called 'Best Buddies', which encouraged us to think about what makes a good friend and how we might deal with problems in relationships. We also had great fun with a new song by Will Smith.

In 5C, we have enjoyed creating our own mythical creatures and writing about their 'destruction' of a location of our choice.

## A Peek at the Week

In Maths, we will begin a new topic on decimals. This will involve partitioning numbers to 2 decimal places and identifying decimals and the equivalent fractions.

In English, we will be continuing our text of Percy Jackson the lightning thief by Rick Riordan. We will be using our knowledge of dialogue and how we can incorporate character dialogue within our writing.

In Computing, we are investigating different spreadsheets and exploring what data we might change.

In Music, we are looking at the song 'Fresh Prince of Bell Air'. We will continue to listen and appraise with similar songs and compare their differences.

In Science, we will continue with our topic the 'Circle of Life,' and specifically looking at the parts of a flowering plant.

## Don't Forget!

Please remember at Towers, we are acknowledging World Book Day on <u>Wednesday 1st March.</u> If your child has been chosen for orienteering, then they are to come to school 'dressed up' and bring their PE kit with them.
