Year 6 Newsletter

Magic Moments!

Year 6 have been very busy this week!

Miss Gad is very impressed with Jenson who has shown determination this week and has shared some wonderful ideas within our class discussions. Well done Jenson.

In 6R, Jack has shown a great love of learning in maths, completing his work independently. Well done Jack for exemplifying the core values this week!

In 6P, Charley has been so enthusiastic to read our core text about Anne Frank and she has shared some excellent ideas during group discussions. We have all been so impressed with her enthusiasm!

A Peek at the Week...

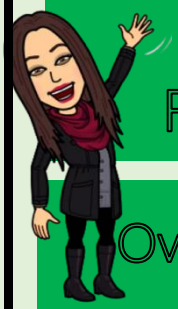
Let's take a look at the exciting week ahead!

In English this week, we are creating a newspaper based on the day World War II started. We will be focusing on bulletins made at the time and stepping into the role of a newspaper reporter.

This week in Maths, we will apply the knowledge and skills we have learnt from our topic of decimals and fractions. We will learn to convert between decimals and fractions as well as find fraction, decimal and percentage equivalents.

We will be learning about how different religions take wisdom from holy texts such as the Bible and the Qur'an in RE this week.

In PSHE, we will consider how we can create our "dream for the world" by planning and creating our own charity event. We will be designing an event to raise money in order to do this!



Don't Forget!

Keep on reading at home and noting this in your planners. The expectation is four reads in a week to get a tick on our reading chart. Also, continue working hard on your times tables!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: Dividing decimals by whole numbers.

Reading Eggs: Tricky words.
