Magic Moments!

Miss Gad is very impressed with Phoebe E this week. She has been trying really hard with challenging maths questions, and is working very hard on improving her knowledge; well done Phoebe!

In 6R, Miss Rehman has been really impressed with Colin and his brilliant work in Science! He was able to create lots of circuits and to explain how the voltage changed in each of them. Well done Colin!

In 6L, Georgie impressed Mrs Lloyd during careers week. She worked in unity with her peers to identify occupations from a description of the relevant personal qualities and qualifications. Great job Georgie!

A Peek at the Week...

Let's take a look at the exciting week ahead!

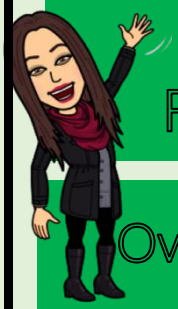
This week is Science Week, so we will be carrying out lots of interesting science investigations. We will also research famous scientists and learn why they are famous.

In English this week, we will be continuing to read our class text: Holes. We will be creating an informative non-chronological report based on Camp Green Lake. What do you need to be careful of at Camp Green Lake?

In maths, we will be continuing our topic of Statistics by learning how to read and draw pie charts.

In French this week, we will learn about different festivals celebrated in France such as April Fools and New Year's!

In Learning Challenge this week, we will be looking at why certain places have more rainwater than others and how this impacts other parts of the world.



Don't Forget!

Friday is Red Nose Day!
Children are invited to wear their school uniform as normal with a red accessory; red hair bow, red nose, red socks, red hat, red braces or laces! There will be boxes by the entrance gates, for a £1.00 donation.

Over to you... Home Learning
