Magic Moments!

Miss Gad is very impressed with Ani this week who has shown not only Marvellous Manners in class but he continues to shine within our class discussions. He shared some wonderful views within our Learning Challenge lesson and discussed views on why we have laws and the role of the police force.

In 6R, Miss Rehman has been very impressed with Michael for his profound contributions during our Learning Challenge lesson where he offered alternative viewpoints to his peers about law enforcement. Well done Michael!

In 6P, Jessica has shown amazing confidence in French. She was able to use phrases such as "Il y a" and "beaucoup de" in her writing! Well done Jessica!

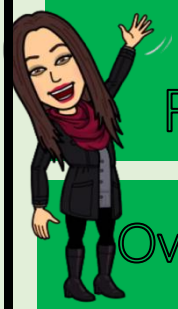
A Peek at the Week...

Let's take a look at the exciting week ahead!

In English this week, we will be writing a biography all about Charles Dickens (the author of our core text 'A Christmas Carol'). We will research information and facts about Dickens before we begin planning and writing our biographies. Our grammar focus for the week will be using relative clauses in our work!

This week in Maths, we are learning to translate shapes on the four quadrants using coordinates. We will be moving shapes up and down a grid as well as creating our own shapes by using specific coordinates.

This week in our Learning Challenge topic, we will be discussing the Gunpowder Plot and challenging whether or not it was a conspiracy! We will be studying the National Archives and will be reading through a variety of events that took place during the lead up to the Gunpowder Plot.



Don't Forget!

PE days are on Fridays! Year 6 have swimming this week so please ensure you bring your kits in, including a swimming hat, goggles (optional) and a towel!
