Magic Moments!

Miss Gad has been very impressed with Freddie this week! He has been putting his hand up in all lessons and sharing his ideas with the class. He is also showing wonderful independence and is trying very hard to complete his work to the best of his ability! Well done Freddie!

In 6R, Miss Rehman has been really impressed with Maggie's determination to complete all her work. She has contributed her ideas during English lessons and has written a brilliant, attention-grabbing blurb for the book 'Wonder'! Good job Maggie.

Mrs Pedder is very impressed with Toby this week. He created a wonderful blurb for our new class text Wonder and really persevered to ensure it was to the best of his ability. Well done Toby.

A Peek at the Week...

Let's take a look at the exciting week ahead!

In English this week, we will be creating a diary entry from August's perspective based on our new class book 'Wonder'! Alongside considering character feelings and events of the book, we will also be focusing on our paragraph writing and how we structure our work. Our grammar focus for the week will be conjunctions including co-ordinating conjunctions and time conjunctions.

In maths, we will be focusing on place value, rounding numbers and numbers that are as large as 10,000,000! We will continue practising our arithmetic skills by doing daily Fluent in Five as well as practising our timetables.

In our afternoon lessons, we will be focusing on RAF Hornchurch. We have gathered lots of information about Hornchurch Country Park and learnt about its use as an airfield. We will use this information to create replica 3D models of significant aspects during this time. We will also write a diary entry from the point of view of a war pilot.

Don't Forget!
