TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Miss Gad has been very impressed with Lily this week who went above and beyond and created a wonderful BUILD value poster in her own time. She reflected on all the key elements of all the values and described how to show them in great detail! Well done Lily.

In 6R, Miss Rehman has been really impressed with Terry! Terry wrote a wonderful shape poem called 'The Pain of the Past' and he was able to write it in the shape of a clock. Very impressive Terry!

In 6P, Mr Bird is very impressed with Macy who has shown such a love of learning this week in all her lessons. She has such a positive attitude and this radiates within the class.

A Peek at the Week...

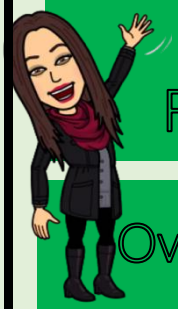
Let's take a look at the exciting week ahead!

In English this week, we will be learning about narratives and how to write our own. We will use our knowledge of narratives to write a chapter for our core text 'Wonder'. We will also aim to use direct speech in our chapters, using inverted commas correctly!

In Maths, we will be starting to understand how to solve division problems using the long division technique. We will be using our timetable knowledge.

In RE, we will be considering how different religions encourage their followers to be respectful to one another.

In Music this week, we will be continuing to focus on Pharrell's famous song: Happy! We will be listening and appraising the song first before we continue to learn it.



Don't Forget!

PE days are on Friday's! Year 6 have swimming this week so please ensure you bring your kits in, including a swimming hat, goggles (optional) and a towel!
