Year 6 Newsletter

Magic Moments!

Miss Gad is very impressed with Ryan this week who has been an excellent role model to our Year 3 children, supporting them with their reading. Well done Ryan and keep up the good work!

In 6R, we have been really impressed with Maggie who has been working really hard during her maths and English work. Well done for aiming high and keep up the good work!

In 6L, Mrs Lloyd has been overwhelmed with Sam's maths work. We have been practising two-step reasoning questions and Sam has been showing excellent understanding and knowledge of operations. Great work Sam!

A Peek at the Week...

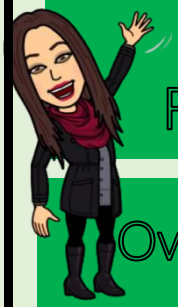
Let's take a look at the exciting week ahead!

In English this week, we will be continuing to read our class text: Holes and we will be finding out how the story ends! We will be stepping into the role of Stanley's parents and writing a letter to the judge to explain his innocence.

In maths, we will be starting to look at algebra. We will be focusing on rules to follow and a variety of different sequences.

In PE this week, we will be focusing on the key rules and skills we need to play a match of Tag Rugby. We will also be creating our own aerobics routine based on all the movements we have recently covered in our lessons.

In DT this week, we will be continuing our recipe planning. We will be working in teams to create a perfectly balanced meal.



Don't Forget!

Try to make sure you pack a healthy snack or two such as fruit, carrot sticks, rice cakes or vegetables like tomatoes or peppers. Our mornings are packed full of learning and a healthy snack and drink of water helps concentration and energy levels, especially on Mondays, our PE day.
