Magic Moments!

Miss Gad is very impressed with Jack this week who is working very hard to prepare for his SATs. He has been showing determination and resilience so well done Jack!

In 6R, Colin has created a wonderful diagram of the human digestive system. He was able to demonstrate his great art skills as well as his scientific knowledge all in one! Well done Colin.

In 6L, Ayaan has been showing great determination and independence in preparation for his SATs. He has been a great role model to his peers. Keep up the great work Ayaan!

A Peek at the Week...

Let's take a look at the exciting week ahead!

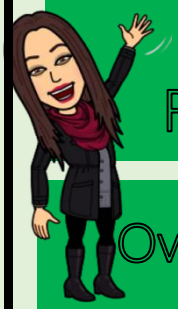
In English this week, we will be continuing to learn about our new core text 'Journey to Jo'Burg'. We will be using the book to create different types of poetry which link to the history of slavery and freedom.

In maths, we will be continuing our reasoning booklets in order to prepare for our SATs.

In RE, we will consider what different religions believe about life after death including heaven or hell and reincarnation. We will also practise our debating skills during this lesson!

In DT, we will be creating our very own designs for a freedom quilt. We will aim to include a secret message in our design, as was previously common in freedom quilts.

In French, we will perform the conversations we have previously practised with our partners, focusing on pronunciation.



Don't Forget!

The SATs exams are slowly approaching so please ensure you are completing any homework set and returning it back to school.

Over to you... Home Learning
