TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Miss Gad has been very impressed with our amazing maths knowledge that we have shared as a class together, especially when applying them to tricky reasoning questions.

In 6L, our badminton skills we have really enjoyed developing our badminton skills this week and are making good progress in serving and receiving the shuttlecock.

In 6D, we have enjoyed creating Viking inspired broaches as part of our learning challenge. Miss Daly has added all the members of the class to our longship Viking display.

A Peek at the Week...

Let's take a look at the exciting week ahead!

This week we will be completing a variety of assessments within our maths and English lessons. We will be creating our own narratives at the end of the week and will be showing off our cross-curricular literacy and history skills.

In Learning Challenge, we are going to be creating a 3D longhouse using a triangular prism net! We will be using all new Viking knowledge to help us create these successfully.

We will be researching Mary Anning and learning how fossils are formed in science. We will be creating a zig-zag book which will include all of our fossil findings.

In PE, we will be continuing our Yoga sessions with Ms Locke. We have been trying to learn new poses each week and are working hard to work on our core strength.

Don't Forget!

.

PE days are on Wednesday! Please ensure you come into school in your PE kit!
