TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Miss Gad was blown away by the creativity and the determination 6G showed during our PSHE lesson this week. We created our own charity fundraiser and discussed charities that are important to us.

In 6D, Miss Daly was really impressed with the line graphs created as part of our results to the shadow science investigation this week. All the pupils displayed our core value of independence. Well done 6D!

In 6L, Mrs Luggar was amazed by the control and balance demonstrated during this week's gymnastics lesson when practising and perfecting a range of rolls. All the children showed their Skills Builder skills of staying positive and teamwork!

A Peek at the Week...

Let's take a look at the exciting week ahead!

In English, we will be starting our new book Holes by Louis Sachar. We will be focusing on the first 3 chapters of the book as part of our shared reading sessions. This week, we will be focusing on a setting description of Stanley's new home: Camp Green Lake, where there is no lake, and it is not green.

During our maths lessons this week, we will be starting our new unit 'Algebra' and this half term we will be having a whole year group focus on a variety of reasoning questions.

In Learning Challenge, we will be starting our new topic 'I'm a Year 6 pupil, Can you get me out of here?'

During our PE sessions this half term, we will be completing both the 'Invaders' and 'Step to the Beat' units.

In Science, we will be learning how to create and draw simple circuits using the correct symbols for our new unit 'Electricity'.

Don't Forget!

Please ensure you are always wearing suitable footwear in PE lessons and long hair is tied back.
