Week beginning

29.11.21

Year 6 Newsletter

Magic Moments!

Miss Gad has been really impressed with Jack this week as he has shown real determination to succeed in all his lessons especially maths! Well done Jack.

In 6R, Miss Rehman has been very impressed with Michael and his determination in Maths! He has been incredibly focused and put in lots of effort – well done Michael!

In 6P, Mr Bird has been impressed with Matthew's participation in class discussions. He has contributed some wonderful ideas this week. Well done, Matthew!

A Peek at the Week...

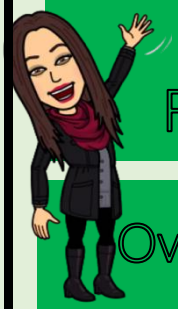
Let's take a look at the exciting week ahead!

In English this week, we will be writing a play script to outline the different events that take place in our core text 'A Christmas Carol'! We will also learn how to use colons and semi colons in a list as well as using apostrophes for contractions and possessive nouns.

This week in Maths, we will be finishing off our learning on fractions! We will be looking at finding a fraction of an amount and consolidating all our learning over the last few weeks.

In science this week, we will be looking at the different types of micro-organisms that exist in our world. We will explore how different variables affect the rate of mould growing on bread. Will damp or dry bread increase the rate of mould growth?

In French, we will learn how to use the phrase 'beaucoup de' which means 'lots of'! We will practise our oral and written skills when using this phrase.



Don't Forget!

PE days are on Fridays! Year 6 have swimming this week so please ensure you bring your kits in, including a swimming hat, goggles (optional) and a towel!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: equivalent fractions.

Reading Eggs: 'What's cooking' – all chapters that have been assigned (chapters 7-12)

Google Classroom: See your assignments.

Spellings

The rule of the week is:

Words with the long vowel sound /i/ spelled y (set 12)

The spellings you will need to learn are:

rhyme, occupy, apply, hyphen, hygiene, python, supply, identify, multiply, recycle

Log in to Spelling shed to practise!
