Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Miss Gad was very impressed with all the children in Year 6 this week and the determination shown when trying new activities during our Stubbers residential. Well done for ensuring you all represented Towers in such a positive way. We are very proud of you!

Mrs Luggar was very impressed with the teamwork 6L showed during their maths work this week. Using all their knowledge, children showed resilience and patience when solving a range of problems to escape the library!

Miss Balding was blown away by the creativity of the reflective recounts of the children's time at Towers! They were well planned and structured with lots of interesting vocabulary, well done 6D!

A Peek at the Week...

Let's take a look at the exciting week ahead!

In English this week we will be revising spelling patterns and suffixes. We will also be reading more of our core text 'Pig Heart Boy'. Our focus in writing is narrative so we will be exploring story structure and cohesion across paragraphs.

In maths this week, we will be revising a variety of topics to help prepare us for secondary school. We will be deepening our understanding of simple formulae and algebraic equations.

In science we will be creating a comparative test to answer different scientific questions. The children will need to generate questions, make predictions, carry out tests and observe the outcomes.

In our Learning Challenge, we will be starting to look at migration and immigration and how that has impacted Great Britain over the past 100 years. The children will be creating projects from their own research.

In PE we will be learning about running styles and how this can affect your speed. We will also be completing circuits that includes different aerobic activities.

Don't Forget!

Remember to apply sunscreen on hot, sunny days! Always bring your water bottle to keep hydrated, and to wear a hat too.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: log into your Mymaths to see your task set.

CGP book: p.86-87 practising adding suffixes to words ending in 'fer'.

Spelling Shed: log into spelling shed and complete your spelling practice for the week.

Spellings

This week, our spellings are words which are adjectives to feelings:

euphoric, delighted, despondent, incensed, terrified, apprehensive, jittery, optimistic, positive, sanguine
