Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Miss Gad was very impressed with all the children this week for their love of learning during maths week! Well done Year 6!

In 6D, Miss Daly loved the 3D cubes that were created as part of our bake off challenge for our muffins we made.

In 6L, Mrs Luggar was amazed by the curves of pursuit designs that were created as part of maths week.

A Peek at the Week...

Let's take a look at the exciting week ahead!

This week, all classes will have the opportunity to visit RAF Hornchurch to deepen their understanding of World War II and specifically the Battle of Britain.

In English this week, we will be continuing to use the short film 'Piano' as our stimulus to create a World War II narrative which includes a flashback.

During maths, we will be continuing to learn about ratio and proportion. We will have the chance to apply our learning of baking during maths week as real-life proportion experiences.

In PE this week, we will be continuing our gym sequences and will be including symmetrical and asymmetrical balances.

In Science, we will be continuing our topic on light and will be investigating refraction.

Don't Forget!

Please ensure you are always wearing suitable footwear in PE lessons and long hair is tied back.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: log into your Mymaths to see your task set.

Reading Eggs: see your assignments

Google Classroom: See your assignments.

CGP Grammar books and arithmetic booklets.

Spellings

This week's spelling rule is: to spell words with a 'soft c' spelt 'ce'

The spellings you will need to learn are:

Prejudice, nuisance, hindrance, sacrifice, cemetery, certificate, celebrate, necessary, deceased, December.

Log in to Spelling Shed to practise!

Keep in touch!
