Year 6 Newsletter

TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

In 6D this week our magic moment has been the children's insightful thoughts about our class text 'The Boy At the Back of the Class.' They have made excellent predictions about what they think will happen and read with empathy and understanding.

Miss Gad has been blown away by the creative minds of 6G and our wonderful writing techniques. We wrote some fantastic narratives last week and this week, we are using our wonderful thinking skills to apply our knowledge from last week to create insightful diary entries. I can't wait to read them!

In 6L this week, our magic moment was our Junior Citizen trip. We all learnt so much to help us prepare to become respectful citizens in the future. Mrs Luggar was so proud of us for showing our BUILD core values, especially how respectful we were to all the adult leaders.

A Peek at the Week...

Let's take a look at the exciting week ahead!

In English this week, we will be reflecting on our learning journey at Towers. We will be drafting, proof-reading, editing and publishing our work ready for a final presentation.

In maths, we are continuing to recap maths topics we have covered this year and will be included when we go to our new schools in September! This includes number sequences and algebra.

In French we are continuing to learn about animals and habitats. The children have been trying really hard with their pronunciation.

In learning challenge we are continuing our projects about Great Britain and investigating about how and why people have been immigrating here to live.

We are also continuing our rehearsals for the end of year production. The children are doing fantastically well!

Don't Forget!

To ensure you are wearing sunscreen every day and a hat to protect you from the sun at break and lunchtimes!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: log into your Mymaths to see your task set.

Spelling Shed: log into spelling shed and complete your spelling practice for the week.

CPG p. 88-89

Spellings

This week, our spellings are grammatical terms.

modal, relative, clause, pronoun. parenthesis, bracket, cohesion, ambiguity, adverb, determiner
