TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Miss Gad was really impressed with the Churchill mind maps that were created as part of our Learning Challenge lesson. It was a fantastic opportunity to apply our sticky knowledge.

In 6D, Miss Daly has been incredibly impressed by the determination of the class during their assessments this week. All of the children tried their best and didn't give up!

In 6L, Mrs Luggar was proud of her class for applying their grammar knowledge from both home learning (CGP books) and class work to their assessments. Keep up the great work 6L!

A Peek at the Week...

Let's take a look at the exciting week ahead!
In English, we will be starting our poetry unit with a focus on poems written during the war.

During our maths lessons this week, we will be applying our ratio and proportion knowledge to recipes and real life problems.

In Learning Challenge, we will be summarising our findings from the topic 'What was the impact of World War 2 on Britain?'

We will be applying the techniques, skills and inspiration from artists from across the unit in art. We will be creating a powerful drawn image to convey a message on a subject that they feel passionate about.

In PE this week, we will be showcasing our finished gym sequences, including a variety of different balances and jumps. We will also be incorporating our Pilates poses.

We will be investigating how shadows change when a light source is closer and further away in science.

Don't Forget!
