TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

3H have enjoyed their English lessons this week. We have created a set of instructions to create our own firework. We created our own firework names and the ingredients needed to put in them. Amazing work 3H!

3P enjoyed role-playing a television interview with Jesus. They generated their own questions and took on the role of Jesus and the interviewer. Well done 3P!

3D have enjoyed designing their own castles in DT using inspiration from images of real castles around the world. Super work 3D!

A Peek at the Week...

This week we are celebrating World Book day and we will be participating in lots of exciting activities!

In maths, we will continue to look at fractions, particularly identifying tenths and counting up and down in tenths. We will also be looking at decimals and their relationship to fractions.

In English, we will be finding out about an author called Tom Fletcher, focusing on his book 'The dinosaur that pooped the past'. Over the course of the week we will be researching Tom Fletcher's life and creating a fact file, writing a book review and also writing our own versions of the book.

In science we have started a new unit about Forces and Magnets. This week we will be exploring the effects that different surfaces have on how far a toy car will move. The children will be carrying out an investigation, predicting and recording results and drawing conclusions.

On Thursday, it is World Book Day, we look forward to our parade to showcase your lovely costumes.

On Friday, we will be participating in Cosy Stories. Remember to wear something cosy.

Don't Forget!

Don't forget to wear your costumes for World Book Day on Thursday and cosy clothes for Friday!
