Week beginning

28.2.2022

Year 4 Newsletter

Magic Moments!

This week the children in 4P and 4C had the opportunity to visit Hornchurch Library, understanding how the library works and also having the opportunity to search for books themselves. 4T will be visiting the library in the month of March.

In Science this week, the children were very creative and produced string telephones, using yoghurt pots and string. Please take a look on Twitter!

The children had the opportunity this week to produce their own play script, editing it and writing it up neatly to be displayed on our writing wall.

Well done Year 4!

A Peek at the Week...

This week:
It is World Book Week where the children will be immersed in a range of reading activities throughout the week. They will have the opportunity to be creative across the curriculum.

In English we are looking at the picture book: Tuesday. This will be our book focus throughout the week.

Maths focus for the next few weeks is fractions.

In topic, we will be focusing on the Ancient Greek Olympics. We will be looking closely at the different events that they took part in.

PE sees us developing our dance and boxercise moves.

Don't Forget!

It is World Book Week so remember that the children can dress up on Thursday 3rd March. Please continue to learn your times tables – try this link at home as the children are practising this in school: https://www.timestables.co.uk/multiplication-tables-check/

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 4 have the following online tasks to complete.

Mymaths: Practise for our fractions work.

Reading Eggs: Chapter 5 of Catching Pegasus.

Purple Mash: Write about your favourite song.

Spellings

This week – the suffix 'ion' becomes 'ssion' when the root words ends in 'ss' or 'mit'.

Expression, discussion, confession, permission, admission, impression, obsession, procession, omission, concussion.

Apologies for the spelling shed problems, these should be all organised now. Do check words against this newsletter and the ones stuck into your child's book to makes extra certain.

Keep in touch!
