TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

Last Friday, we had visitors come to school! We learnt lots of interesting information about reindeers and generated amazing questions. We also had some cheeky elves arrive. We wonder what they will do next.

In French, the children learnt how to tell their friends which fruit they like and dislike. Their teachers were very impressed.

Each class designed a wreath based on a Christmas film and a garland based on a Christmas song. They took such pride in their art pieces whilst having fun with glitter and decorations. The children are all feeling very festive!

A Peek at the Week...

In English this week, the children are going to be watching the Iron Giant film as a direct comparison to our core text 'The Iron Man'. They are then going to be writing an alternative ending to the story.

We will be continuing the unit of Multiplication and Division in Maths. We will be continuing the 4 times tables and moving onto the 8 times tables.

The children will continue their science topic 'Food and our bodies'. They will be identifying bones in the body and learning their scientific names.

In RE, the children will be learning about the Christmas Story. They will be involved in a role play activity to consolidate their knowledge.

During our Learning Challenge lesson, the children will begin to create their volcanoes with their bottles!

This week in French, we will be taking part in an assessment activity to reflect on what we have learnt about 'Les Fruits'.

Don't Forget!

Please ensure your child has a suitable healthy snack for their break times.

Could we please have any donations of small water bottles (50cl) to create volcanoes! - We still need 10 more!
