Week beginning

22.01.24

Year 4 Newsletter

Magic Moments!

This week 4Ch have enjoyed practicing their French by talking to their partners about the items in their pencil cases.

In 4Co we have enjoyed sharing our scientific knowledge with Year 3 and demonstrating our topic of sound. We have experimented with hydrophones and investigated what materials medium sounds travel through the best.

4RL have enjoyed investigating life in Ancient Britain and Ancient Egypt and making comparisons between the two civilisations. We celebrated the independent research of some of our class mates.

A Peek at the Week...

This week:
As part of our English, we will be looking at the features of a letter and writing a formal letter of complaint.

In our GPS sessions we will be focusing on contractions. For example, didn't, a shortened version of did not.

As mathematicians, we will be completing our topic of multiplication and division (part 2). To finalise the topic, we will be focusing on dividing a 2-digit number by a 1-digit number, dividing a 3-digit number by a 1-digit number and efficient ways to solve multiplication and division problems.

In Religious Education this week, we will be exploring the metaphor of life as a journey and what impact Dharma and Karma has on the lives of Hindus.

We will be immersing ourselves in a workshop for our Learning Challenge, based upon our topic of Ancient Egyptians.

Don't Forget!

On Wednesday 24th January, the children will have an opportunity to learn about Egyptian life and culture through fun, absorbing and interactive workshops.

Over to you... Home Learning

Homework this week:

Maths: Mymaths task – worded problems based around multiplication and division and revision.

Reading: Read four times each week and sign the planner.

Spelling Shed: Log-on to practise this week's spellings.

CGP Grammar book: Complete pages 50 and 51.
