Week beginning

25.09.2023

Year 4 Newsletter

Magic Moments!

This week, in 4RL we have enjoyed acting out several roles from a Boudicca play script based upon our topic of the Romans.

In 4CH, we have enjoyed discussing our own character descriptions using a variety of adjectives and a range of powerful vocabulary.

4CO have enjoyed becoming scientists and investigating how a variety of liquids can affect an egg.

A Peek at the Week...

This week:
In English, we will continue reading our core text of Iliona's journey through Rome. We will be identifying the features of informal letters and using this to write a letter to Iliona's brother Apollo.
In our GPS sessions, we will be discussing what pronouns are and how we use them effectively in a sentence.

In maths we are continuing to look at place value; in which we have been putting numbers on a number line, estimating numbers on a number line and then moving onto comparing numbers and ordering them to 10,000.

Our PE lessons will be continuing to explore various ways in which we can raise our heart rate as well as discussing the positive effects being active has on our bodies. We will also continue to practise our tennis based skills.

In Learning Challenge, we have been historians and continue to discuss why the Romans wanted to invade Britain and what Britain could provide for the Romans.

Don't Forget!

Please don't forget reading books and planners will be coming home and the children are able to start working towards their first reading award by reading to someone four times each week. Also, as the weather is beginning to become colder, please can you ensure your child has a coat/jacket with their name clearly written.

Over to you... Home Learning

Homework this week:

Maths: Mymaths task – see the task set.

Reading: Read four times each week and sign the record sheet (until the planners arrive).

Spelling Shed: Log-on to practise this week's spellings.

CGP Grammar book: Complete pages 8 and 9.
