TWO SCHOOLS, ONE VISION

At Towers Schools we build our future together

Magic Moments!

This week 4Ch have enjoyed getting in the festive spirit by practising our Christmas songs and learning how to sign along.

In 4Co this week, we are looking forward to all things festive including the reindeer run, Christmas jumper day and Christmas dinner.

4RL have been erupting as they explore volcanoes and poetry! We have been using our exciting vocabulary and figurative language to describe these amazing phenomena!

A Peek at the Week...

This week:
As part of our English, we will be exploring the world of blogging! This will involve reading some examples and identifying their features. We will go on to produce a blog of our own, reporting some dramatic events.

In our GPS sessions we will be focusing on determiners.

As mathematicians, we will be continuing with our new topic of multiplication and division (part 1). We will be focusing on the 3, 6 and 9 times tables as well as multiplying and dividing by 7.

In Religious Education this week, we will be looking at the Exodus story and learning about why and how Passover is celebrated.

We will be looking at what makes the Lake District such a unique location and comparing it to London in our Learning Challenge lesson.

Don't Forget!

Please ensure that all emails regarding absence or change of collection are sent to the office email and not the year group email.
