Year 4 Newsletter

Last week we were learning....

Year 4 have had a truly 'magical' week with a visit to Royal Liberty Secondary School on Wednesday. We looked at various artefacts and tried to work out what they were used for. These artefacts included a 'ducking stool' and a page from a book written about witches and how to spot them! We also tried to detect who was the witch in the village, working through a set of descriptions. Next, we spent some explosive time in the science labs, working on various experiments to combine different substances and spot the reaction. Thank you Royal Liberty School!

This week we will be learning....

This week Year 4 will be on their travels again! We will be venturing out into Harrow Lodge Park (weather permitting) to explore the route of the Ravensbourne River. This is a great opportunity to explore our local area where we will follow the route of the river through the park and look at the wildlife there. How many birds will we be able to spot? Are there signs of other wildlife? What kinds of plants live around water? We will also investigate how the park is used.

We will also continue with the construction of our mechanical cars, developing the bodywork to follow the shape of the chassis. This will give us the opportunity to add our own designs to our cars.

Don't Forget!

There are 3 parents' evenings this week. Please remember to book your appointment or contact the office if the deadline has passed.

Four reads at home will ensure your children get ticks on their class reading chart and they will be working towards their next reward!

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 4 have the following online tasks to complete:

MyMaths: please complete the tasks set

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 38 and 39.

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?

Spellings

This week, our spellings are:

Group 1:
