Week beginning

4.12.23

Year 5 Newsletter

Magic Moments!

Last week, the children produced some wonderful Christmas decorations for our class wreath and our Christmas garlands. It's beginning to look a lot like Christmas!

In English, the children have really enjoyed writing and performing play scripts.

In Maths, the children have built on their knowledge of fractions by beginning to add with mixed numbers.

In Science, the children gained an understanding of water resistance and how, alongside air resistance, it can be beneficial and detrimental in everyday life.

In French, the children were able to ask for the bill and say please and thank you.

In Learning Challenge, the children researched South American countries and produced excellent information texts.

A Peek at the Week

This week the children have an amazing opportunity to visit the Science Museum in which they can expand their learning through first-hand experience of different concepts.

In English, we will be writing an information text based on information that we gather on our trip to the Science Museum.

In Maths, the children will be moving onto multiplication, working with numbers containing up to 4 digits.

In French, the children will be identifying French currency. This will assist in the children's knowledge of money when using this in maths lessons.

In Learning Challenge, the children will be linking their Art skills by producing symbols that are synonymous with Brazil as a nation.

In music, we will continue to learn our Christmas songs ready for our performances on the last week of term.

Don't Forget!

Please remember spelling books and CGP books are to come to School on a <u>Monday.</u>

<u>Please remember to read at home. Remember 4 reads weekly can lead to a bronze certificate!</u>

<u>Please ensure that your child has a warm hat on their swimming day.</u>

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: Multiply double digits.

CGP: page 67, headings and subheadings

Spelling Shed: challenging words

Spellings

This week we will be focusing on these spellings:

available
accommodate
sincerely
suggest
twelfth
opportunity
controversy
marvellous
secretary
dictionary

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.

Don't forget to log onto Spelling Shed and play the spelling games.
