Week beginning

13.11.23

Year 5 Newsletter

Magic Moments!

Last week, the children were so engaged in Maths Week. They were very creative, constructing 3D shapes from nets as well as producing some excellent guitars, linked to Times Tables Rockstars.

The children were once again fantastic at showing respect when working on activities for Remembrance Day. It showed our core values, particularly Be Respectful and Unity.

In English, the children really enjoyed role playing a character from The Highway man. They also wrote some incredible story openings!

In French, the children learned how to say French foods and drinks and also wrote them, matching them to images.

In PE, the children were again showing excellent swimming skills in their first week back after half-term.

A Peek at the Week

This week is Assessment week for the children. They will showcase all the skills that they have learnt in both English and Maths.

It is also Friendship Week. The children will be undertaking discussions and tasks on why it is important to be a good friend and how we can maintain respect within those friendships.

In Computing, after being introduced to the 'ToDesign2Make' tool, which will help them to design objects using nets and templates, the children will begin to apply this knowledge to their activities, using laptops.

Pupils will consolidate and build on their learning around the impact that gravity has in Science.

In Learning Challenge, the children will be exploring the differences that the streets of Brazil have and how children live in this South American country.

Finally, in RE the children will be celebrating Diwali and understanding the meaning and importance of this Religious Festival.

Don't Forget!

Please remember to wear swimming kits (hats in your bag): 5P Wednesday and 5W/5W-B on Friday.

Also, please remember that Times Tables Rockstars is there to use at home. Challenges are set right up until Christmas for Year 5.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: Improper and mixed fractions

CGP Grammar: page 15

Spelling Shed: words ending in '-ent' and '-ence

Spellings

This week we will be focusing on these spellings:

Word
emergent
violent
confidence
decent
eloquence
innocence
competence
