Week beginning

16.10.23

Year 5 Newsletter

Magic Moments!

Last week, the children had a fantastic opportunity to take part in an exciting Anglo-Saxon workshop. They were able to apply their already good knowledge and also learn new facts.

In English, we wrote some amazing fact files on influential black singers.

In Maths, the children developed their understanding of multiples and factors, as well as the relationship between both.

In Learning Challenge (History), the children produced fact-files based on the iconic figure, Martin Luther King as part of Black History Month. The children listened to and appraised the musical talent of Bob Marley, exploring Reggae music.

For Science, the children expanded their knowledge of separation processes such as sieving, filtering and evaporating.

A Peek at the Week

This week:

In Maths, the children will deepen their learning by multiplying and dividing by powers of 10, as well as working with multiples of these numbers.

We will be writing a book review on Beowulf in English, now that we have finished the book. We will also be continuing to look at Henry's Freedom Box and understanding the thoughts and feelings of individual characters.

In French, the children will be completing the unit of work: La date. They will be assessed in their speaking, listening, reading and writing skills.

In Learning Challenge, the children will be sharing all of their knowledge on the Anglo-Saxons and Vikings as we complete our unit of work in History for this half-term.

In Science, we will be completing our end of unit assessment on what we have learned about materials.

Don't Forget!

<u>There is no swimming this week:</u> please wear your usual PE kit on your PE days.
Please also ensure that planners are in school every day.

<u>Also, please bring in any old shirt for your child for this year's Art lessons.</u>

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete.

MyMaths: Squares and cubes

CGP Grammar: pages 60 and 61- Apostrophes

Spelling Shed: Spelling has been set to the set rule – Challenging words.

Spellings

This week we will be focusing on these spellings:

environment
immediately
sufficient
language
vegetable
thorough
cemetery
appreciate
convenience
conscious

Practice using Look, Say, Cover, Write, Check. Make sure that you find out the meaning of each word.

Don't forget to log onto Spelling Shed and play the spelling games.
