Magic Moments!

Miss Gad was very impressed with how dedicated the children were in 6G during their writing lessons this week. We had some wonderful discussions about expanded noun phrases that were relevant to our writing and our Big Writing was amazing! Well done 6G!

In 6BH Miss Balding and Mr Halle were really impressed with the determination and encouragement that the children showed towards each other when completing the bleep test in PE.

This week, Mr Johnson was impressed with how respectful 6J was during their history lesson. We spoke at how the war effected German children and what measures were put in place to protect them.

A Peek at the Week...

Let's take a look at the exciting week ahead!

This week, we are visiting RAF Hornchurch and finding out all about World War Two. We cannot wait to explore how World War Two affected our local area!

As Mathematicians, we will be starting to explore function machines and algebra. The children will be using their prior knowledge of sequences and the four operations to support their new learning.

In history, we will be researching about The Battle of Britain. We will be identifying when events happened, why and the impact it had on England as an economy.

We cannot wait to explore some famous war poems in English. We will be drafting, editing and performing to our classes towards the end of the week.

Don't Forget!

Remember to bring a packed lunch on the day you are visiting RAF Hornchurch. 6BH and 6J are visiting the museum on Tuesday 23rd January 2024 and 6G are visiting the museum on Wednesday 24th January 2024.
