## Magic Moments!

Miss Gad is very impressed with the dedication 6G have shown when researching facts and information about The British Empire. The informative posters we produced were incredible and unique!

In 6BH Miss Balding and Mr Halle are amazed with the children's attitudes and determination in PE this week when they completed the bleep test. They pushed themselves to achieve their best possible score. Amazing work 6BH!

Mr Johnson is very impressed with the knowledge the children shared in our maths lesson when we were focusing on negative numbers. The children showed their problem solving skills to answer a range of questions.

## A Peek at the Week...

Let's take a look at the exciting week ahead!

This week, we will be completing a range of assessments to prepare us for the upcoming SATs exams in May. We will be completing spelling, grammar, reading, arithmetic and reasoning tests throughout the week.

In art, we will be continuing to explore a range of artists and continue to understand how they interpret and create unique pieces of their own.

In RE, we will be looking at a range of religions that make up the patchwork of our society. We will be focusing on diversity, similarities and how all faiths come together and share an understanding of one another.

In computing, we will be continuing to explore how to create our own adventure game. We will use our concept maps from our previous lessons to start to develop our own text based adventure.

## Don't Forget!

Our PE days are on a Tuesday. Please can the children come into school wearing their PE kits. Long hair must be tied back and earrings will need to be removed.

## Over to you... Home Learning
