Week beginning

04.12.23

Year 6 Newsletter

Magic Moments!

Miss Gad was very impressed with the determination 6G showed during our boxercise session. The children used their PE knowledge and applied this to make their routines unique and effective.

In 6BH Miss Balding and Mr Halle were really impressed with the team effort shown when creating unique and inspiring Christmas decorations! We loved using the glitter and making everything festive!

This week Mr Johnson was impressed with the respect shown by 6J during our English discussions about World War One. We shared our prior learning with each other and created a knowledgeable and comprehensive list of features for our newspaper reports.

A Peek at the Week...

Let's take a look at the exciting week ahead!

In English this week, we will be continuing to develop our newspaper reports on Armistice Day. We will be ensuring that we include all our grammar knowledge: reported speech, passive voice and direct speech. We cannot wait to see the final articles!

In DT, we will be continuing to work on our waistcoats and will be sewing the final pieces together. We will then be evaluating our pieces as a class and identifying what we have done well and what we would change in the future.

In RE, we will be studying the foundations of what makes a good teacher within Christianity. We will be looking at how Jesus supported his disciples by using the parable of The Two Builders.

Don't Forget!

Remember to ensure you are bringing a warm coat to school as it is getting colder and colder! You will need this for break times and lunch times.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: log into your Mymaths to see your task set.

Spelling Shed: log into spelling shed and complete your spelling practice for the week (set 12).

CGP – 30-31

Spellings

This week, our spellings are challenge words (set 12):

antonym, crystal, lyrics, mystery, oxygen, rhythm, symbol, symptom, system, typical
