Magic Moments!

Miss Gad was very impressed with all of Year 6 this week for the determination and resilience shown during their assessment week. A wonderful effort Year 6, well done!

In 6BH Miss Balding and Mr Halle were amazed with the logical reasoning and scientific knowledge the children shared when discussing how the sun affects our shadows through the day.

This week Mr Johnson was delighted with how respectful 6J were during our RE lesson on differences and beliefs. They showed critical thinking and empathy when debating.

A Peek at the Week...

Let's take a look at the exciting week ahead!

This week, as a federation, we will be completing a range of activities that immerse us in the traditions and festivities of Chinese New Year. We will be tweeting throughout the week so stay tuned!

In literacy, we will be using 'The Piano' as our writing stimulus as the children thoroughly enjoyed this previously! We will be creating a flashback and we cannot wait to see the final pieces of work!

As Mathematicians, continuing to develop our algebraic thinking. We will also be revising place value as we are starting a new topic on decimals.

As part of Safer Internet Day, we are going to be revising our understanding of staying safe online as well as identifying what networks are in school.

Don't Forget!

We are celebrating Chinese New Year this week! Remember to dress up as a chosen animal form the Chinese Lunar Calendar.

Over to you... Home Learning
