Week beginning

16.10.23

Year 6 Newsletter

Magic Moments!

Mrs Luggar has been extremely pleased with 6G's positive attitude for this past week. They have worked hard in class and produced some excellent pieces of work. Well done 6G.

In 6BH Miss Balding and Mr Halle are very proud of the children when organising and performing the class assembly to you all. The children wrote the assembly themselves and decided what they wanted to say when. It was fantastic and some extra playtime was well deserved!

This week Mr Johnson was impressed with the determination and endurance that 6J showed during their PE lesson this week. They showed tremendous effort and resilience!

A Peek at the Week...

Let's take a look at the exciting week ahead!

In English this week, we are going to be researching inspiring figures as part of Black History Month.

In maths, we will be solving problems using multiplication and division. These questions will be challenging us to apply written methods to open ended problems.

In learning challenge this week, we will be writing up our report about The British Empire.

In science this week, we will assessing our learning of our topic 'Adaptation and Evolution' which we have been learning about this half term. The children will be given some tasks to demonstrate their scientific knowledge and understanding.

Don't Forget!

Our PE days are on a Tuesday. Please can the children come into school wearing their PE kits. Long hair must be tied back. Earrings are not to be worn in school at anytime.

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: log into your Mymaths to see your task set.

Spelling Shed: log into spelling shed and complete your spelling practice for the week.

CGP – Pages 6 and 7.

Spellings

This week, our spellings are challenge words:

amateur, category, correspond, environment, frequently, language, occur, queue, signature, twelfth
