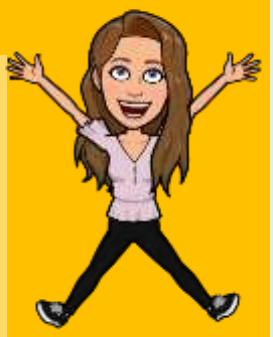
Week beginning

22.04.24

Year 3 Newsletter

Last week we were learning....



In Science, the children began their new unit 'How does your garden grow?'. They learnt about the parts of a plant and their purposes. They also planted their own sunflower seeds. We are looking forward to seeing how they develop over the next few weeks!

Last week, the children started their new unit of 'How have our homes changed over time?' by looking at the food in our homes and how the food industries have changed over time. They used their prior knowledge of the Stone Age and the Victorian era too!

This week we will be learning....

In English, the children will be writing a persuasive letter to the Prime Minister asking for his help to try to improve the environment so animals will not be unnecessarily killed. This is related to our core text 'This morning I met a whale'.

The children will be planning a design of a castle in DT. They will be using the features they learnt about last week.
In PSHE, the children will be learning about friendships and how to be a good friend to each other.

Don't Forget!

Due to unpredictable weather, please ensure your child still brings a coat to wear.

Reminder: Please ensure your child is not wearing earrings or nail varnish at school.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please complete the tasks set

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 60-61.

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!

Spellings

This week, our spellings are:

Group 1 words: vague, league, plague, fatigue, antique, unique, grotesque, mosque, plaque, dialogue

Group 2 words: vague, mosque, league, small, may, new, play, take, over, wish

The children will be tested on:

Monday 29th April 2024
