Magic Moments!

This week, the children walked around their museum which was created from all of their amazing homework! Thank you for all your hard work, you really showed a love of learning and determination!

In science, the children consolidated their learning by creating beautiful informative posters about 'Light and shadow'.

The children created their own book covers for the 'Book of positivity' for the FOTFA competition. They also wrote amzing riddles for the book.

A Peek at the Week...

This week in English, the children will begin reading their new core text 'Mr Stink'. They will use chapter 1 to write a playscript between Mr Stink and Chloe.

The children will continue their work on fractions. We will be comparing and ordering fractions and exploring fractions on a numberline.

This week, we will begin our science unit of 'Forces and Magnets'. The children will be learning about forces, focusing on pushes and pulls.

In Learning Challenge, the children will be starting their new Geography unit of 'Why do people holiday in the Mediterranean?'. They will begin by identifying the Mediterranean countries.

The children will be starting a new unit in French of 'Les Glaces' which is 'Ice creams' in French! They will be learning 5 flavours of ice creams this week.

Don't Forget!

A kind reminder, waterbottles should only have water in them – no juice.

If your child wishes to have a snack at breaktime, please ensure they do not contain any nuts as we are a nut free school.
