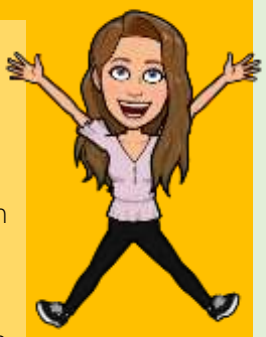
Week beginning

04.11.24

Year 3 Newsletter

Last week we were learning....



how to prepare a range of vegetables to create a seasonal tart! The children developed their peeling, cutting and slicing skills and used the bridge cut and the claw hold to ensure they were safe at all times. Once the kitchen kindly cooked the tarts for us, the children then had a taste and most of them loved it! They evaluated the look, taste and texture of the tart.

The children also ended their Learning Challenge unit with an end of unit summary. The children wrote down all the facts they could remember and they then went around to magpie facts from their friends. The children showed unity as they shared their knowledge with each other.

In science, the children summarised the unit of 'Rocks, fossils and soils' by making an informative poster for a Year 2 student to learn from. They recalled lots of facts and presented it beautifully!

This week we will be learning....

number bonds to 100, estimating answers using rounding and solving worded addition and subtraction problems. The children will need to use their column method knowledge from last half term to solve the problems.

We will be starting a new science unit this week, 'food and our bodies'. The children will start by learning about food and nutrients the body needs to survive. As a piece of homework, the children will be coming home with a food diary to complete over 2 days so they can identify the food groups from which they ate.

In music, we will be starting to learn a new song called 'Let your spirit fly'. We will learn the chorus as well as a verse.

Don't Forget!

Please ensure your child wears appropriate clothing to school as the weather changes, a coat is encouraged due to the colder weather.

If you wish your child to buy a poppy, please ensure you send in some money as poppy sales will be happening in school,

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 3 have the following online tasks to complete:

MyMaths: please log in and complete the set tasks.

Spelling Shed: please log in and complete the set tasks.

CGP – Pages 16-17

TTRS- our tournament starts on Monday. Who will be the highest scoring individual? Which class will win?!
