Week beginning

29.04.24

Year 5 Newsletter

Last week we were learning....

The children jumped on board the boat (Peggy Sue) from our class Text 'Kensuke's Kingdom'. They created their own extracts from the log book that can be found on board. They enjoyed publishing them up onto tea-stained paper to make them look authentic and unique! The children were also imaginative in Science this week as they created their own animals and used their knowledge of life cycles to create one for their newly formed animal. In D&T, the children were introduced to cookery and how ingredients are processed. We are looking forward to seeing how many natural chefs' we have in Year 5!

This week we will be learning....

The children will be transported into The Gunpowder Plot in our History unit! We will be exploring their knowledge of Guy Fawkes and his crew, who had planned to blow up the Houses of Parliament. What led these men to such an extreme, violent and malicious act?

Also, the children will be introduced to reversible and irreversible changes in Science, specifically looking at what causes them and how they can be used in practical settings. Excitingly, they will be looking at videos showing a chocolatier in action. Will this be Willy Wonka? We will find out next week.

Don't Forget!

Homework is due on a Monday so please remember to bring in your CGP book in. Also please remember spelling books.

Polling Day is on Thursday 2nd May – school is not open to pupils.

Home Learning...

Homework is set every MONDAY and due in the following Monday. This week Year 5 have the following online tasks to complete:

MyMaths: Translating and reflecting.

Spelling Shed: Homophones or near homophones.

CGP – Commas in lists - pages 40 and 41.

Spellings

This week, our spellings are: Homophones or near homophones.
