Week beginning

12.02.24

Year 6 Newsletter

Magic Moments!

Miss Gad was very impressed with how knowledgeable the children were when discussing online safety. Children were able to articulate the importance of not sharing personal data online and why this is a problem in society.

In 6BH Miss Balding and Mr Halle were wowed with the flash backs the children wrote this week. They were full of emotive vocabulary, fronted adverbials and some children challenged themselves with colons and semi colons!

This week, Mr Johnson has been impressed with the respect and prior knowledge shown in History this week. They were able to empathetically engage in discussions about evacuation, and consider the impact this had on British people.

A Peek at the Week...

Let's take a look at the exciting week ahead!

The children will be completing their own investigation about changing shadows. This will give the children the opportunity to work in a team and plan, carry out and report back on their own investigation.

In Learning Challenge this week, the children will be completing a free write about something they are interests in linked to WW1 or WW2. They have completed their own research thinking about the reliability of the sources they have used to collect their research.

As aspiring mathematicians, this week we will be continuing to develop our understanding of decimals. Children will be using their prior knowledge to help solve a variety of reasoning questions.

In RE this week we will be completing a multiple choice quiz on all of the topics we have learned this half-term. We will also be using our critical thinking skills to identify and describe differences and similarities between different religion's beliefs on God.

Don't Forget!

This week is the last week of term! Well done for all your hard work and we hope you have a restful and enjoyable break!

Over to you... Home Learning

Homework is set every MONDAY and due in the following Monday. This week Year 6 have the following online tasks to complete:

MyMaths: log into your Mymaths to see your task set.

Spelling Shed: log into spelling shed and complete your spelling practice for the week (set 19).

CGP – Pages: 58-59 62-63

Spellings

This week, our spellings are challenge words (set 19):

graph, pheasant, phone, photo
physical, alphabet, dolphin, elephant
pamphlet, sphere
